Allowed Claims: 1-8.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103. Specifically, in reference to independent claims 1 and 3, none of the prior art either alone or in combination disclose or teach of the claimed progressive multifocal lens or method of designing a progressive multifocal lens having a combined refracting interface comprising an original progressive refracting interface set only to exhibit a desired eyesight corrective characteristic and an original toric surface set only to exhibit a desired astigmatism corrective characteristic and specifically including, as the distinguishing feature in combination with the other limitations, the value z_p expressed or obtained by either the claimed first or second expression.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
